RE: Contract MUA-EQUIP-55-21: Furnish and Deliver High Density Polyethylene (HDPE) Pipe and Assorted Fittings – RENEWAL 2 of Two (2) Six (6) Month Renewal Options

Dear Mr. Mastrogiovanni:

The Cape May County Municipal Utilities Authority (CMCMUA) would like to exercise the option to extend Contract MUA-EQUIP-55-21 RENEWAL 1, for an additional six (6) month period. Pursuant to the current contract we are permitted to agree to an increase based on the citation of the law found, in part, in N.J.S.A. 40A:11-15. This states; *c. Any price change included as part of an extension shall be based upon the price of the original contract as cumulatively adjusted pursuant to any previous adjustment or extension and shall not exceed the change in the index rate for the 12 months preceding the most recent quarterly calculation available at the time the contract is renewed; and d. The terms and conditions of the contract remain substantially the same.*

The New Jersey Department of Community Affairs, Division of Local Government Services, calculates and publishes the index rate to be used for price adjustments. The last published index rate is 10.50% (Attachment 1). The previous adjustments made in the RENEWAL 1 bid price list is now adjusted to reflect the agreed upon increase for RENEWAL 2 of a 10.50% price increase (Attachment 2). The original contract agreement is also attached for your use and reference (Attachment 3).

If in concurrence of same, Ferguson Enterprises, LLC. will Furnish and Deliver High Density Polyethylene (HDPE) Pipe and Assorted Fittings, for an additional six (6) month period, from January 20, 2023 through July 19, 2023, at the same terms and conditions as set forth in the

original Agreement, dated January 20, 2022, for a total Contract not to exceed amount of \$275,000.00.

Pursuant to New Jersey Public Law 2012, c. 25, "any person or entity that submits a bid or otherwise proposes to enter into or renew a contract..." must complete the enclosed Disclosure of Investment Activities in Iran certification form. Please complete this form and return it with the original signed copy of this letter.

In addition, a new Certificate of Liability Insurance naming the Authority as additional insured is required and the endorsement must be provided.

If you have any questions, please do not hesitate to contact me.

RE: Contract CHEM-56-21
Furnish and Deliver Dry Polymer to Various CMCMUA Wastewater Treatment Facilities
RENEWAL 1

Dear Ms. Haskin:

The Cape May County Municipal Utilities Authority (CMCMUA) would like to exercise the option to extend Contract CHEM-56-21, for an additional twelve (12) month period. Pursuant to the current contract we are permitted to agree to an increase based on the citation of the law found, in part, in N.J.S.A. 40A:11-15. This states; *c. Any price change included as part of an extension shall be based upon the price of the original contract as cumulatively adjusted pursuant to any previous adjustment or extension and shall not exceed the change in the index rate for the 12 months preceding the most recent quarterly calculation available at the time the contract is renewed; and d. The terms and conditions of the contract remain substantially the same.*

The New Jersey Department of Community Affairs, Division of Local Government Services, calculates and publishes the index rate to be used for the price adjustments. The original bid price list is now modified to reflect a 4.94% price increase which will adjust the Unit Price Per Pound of Polymer to \$2.8306. The original contract agreement is also attached (Attachment 3) for your use and reference.

If in concurrence of same, George S. Coyne Chemical Co. Inc. will Furnish and Deliver Dry Polymer to Various CMCMUA Wastewater Treatment Facilities , for an additional twelve (12) month period, from February 3, 2023 through February 2, 2024, at the same terms and

conditions as set forth in the original Agreement, dated February 3, 2022, for a total Contract not to exceed amount of \$212,295.00.

Pursuant to New Jersey Public Law 2012, c. 25, "any person or entity that submits a bid or otherwise proposes to enter into or renew a contract..." must complete the enclosed Disclosure of Investment Activities in Iran certification form. Please complete this form and return it with the original signed copy of this letter.

In addition, a new Certificate of Liability Insurance naming the Authority as additional insured is required and the endorsement must be provided. I have included the requirements and examples.

If you have any questions, please do not hesitate to contact me.

Regards,

CAPE MAY COUNTY
